To The Secretary to the Government of Madras,

Law Education **Department.**

Sir,

I have the honour to submit herewith a copy of letter addressed to me by the Correspondent of the Ganapathy Secondary School, Mangalore, applying for a grant of Rs.100 for non-recurring charges and Rs.240/- towards the recurring charge of the weaving class attached to the school and to state that Mr: Parrett who visited the classes on the 19th July 1923, recommends that a non-recurring grant of Rs.80/- towards the initial supply of yarn and a recurring grant of Rs.220/- being half of the recurring charges of Rs.440/- as noted in the margi may be sanctioned to the management.

2. I however consider that there is no need to

sanction the cost of yarn as presumably the management gets the sale proceeds of the woven cloth.

I accordingly recommend that Rs.220/- being half the recurring cost may be sanctioned to the management during the current year, the charge being met from the lump provision of I.I5 lakhs under 31-D (b) Education special - Transferred vocational Education - in the budget estimate for 1923-24.

I have the honour to be,
Sir,
Your most obedient servant.

r Director of Public Instructi

97/22-23, dated 3rd August 1923, from the
orrespondent, Ganapathy Secondary School, Mangalore, to the
irector of Public Instruction, Madras.

I have the honour to inform you that the Management of the Ganapathy Secondary School has been running the Weaving Classes alongwith the Carpentary and other Manual training classes for the last four years. In August 1921 the Management had submitted a scheme of Vocational Training with a request for aid. The Government was pleased to sanction a certain amount as aid towards the Carpentary class, but as the weaving class was only in its experimental stage, the Management conducted the class at their own cost The initial expenses came up to more than Rs.500/- and Rs.400/- were spent every year for maintaining the classes.

About 50 students work at the loom in 6 batches, yarn worth about Rs.200/- is needed at the initial stage and the weaver will have to be paid Rs.30/- a month, the contingencies come up to Rs.1 a month. The Management will be very thankful to you if you will kindly sanction a grant of Rs.100/- as non-recurring grant towards the purchase of yarn and Rs.240/- or one half of the actual expens as recurring grant to run these classes successfully.
